

## **Getting Started**

### **Step 1: Account Creation**

When you are first invited to a project in SmartUse you will receive an email like the one below. To create your account, click on **Go to SmartUse**

A screenshot of an email invitation from SmartUse. The header includes the SmartUse logo, the email address support@smartuse.com, and the phone number +1 888-312-6723. The main body of the email states: "You have been invited to collaborate in SmartUse". Below this, it lists the organization as "SmartUse (S)" and the inviter as "Test Account". A blue button labeled "Go to SmartUse" is centered below the text. At the bottom of the email, there are three icons for mobile platforms: iOS, Android, and Windows. Below these are social media icons for Facebook, Twitter, LinkedIn, YouTube, and Instagram. A footer note reads: "In case of any problems, please contact our support team at support@smartuse.com".

In case of any problems, please contact our support team at [support@smartuse.com](mailto:support@smartuse.com)

You will then be asked to enter your first and last name and choose a password. The password needs to be at least 6 characters long. **If the email address is incorrect, the project owner or administrator will have to re-send an invitation to the correct address as the email cannot be changed on the form.**

## Step 2: Downloading the application

The SmartUse application where you will be doing all your markups is available on iPad, Windows and Android. You can click the link directly from the page after account creation or you can find the links below on our website.

### Step 3: Accessing your projects

When you log into the SmartUse application, any projects that you have been invited to will appear on the main page as well as your role (level of access) to project. To open a specific project, simply click on the project name.

Projects 			
<input type="text" value="Search for a project"/>			
Name ▼	Role	Organization	Last Updated
Fowler Square Demo (JEFF)	Admin (Doc. Control)	SmartUse (Jeff)	5/10/2019
Fowler Square Demo (SABRINA)	Owner	SmartUse (SABRIN...)	5/13/2019
Plan Tests (JEFF)	Admin (Doc. Control)	SmartUse (Jeff)	5/13/2019
Test	Owner	SmartUse (SABRIN...)	5/13/2019
test123	Owner	SmartUse (SABRIN...)	4/8/2019

**Please note that any requests to access a project need to be done directly with the owner or an administrator of the project.**
